*September 10, 2012*

Hyun Jin Moon will visit the Cheon Jeong Gung with GPF leaders, external VIPs, member representatives and others at 9 AM on September 10, 2012.

He is going with the purpose of offering a prayer and bowing to True Father and to offer words of solace to True Mother. Even after suffering through the insult of having his entire family removed from the list of grieving families, Hyun Jin Moon arrived in Korea to offer True Father his final words as he ascends to Heaven.

Nobody can bend Hyun Jin Moon's will to see True Father. Members around the world will be observing how the church and the Seong Hwa Ceremony Organizing Committee react to Hyun Jin Nim's visit.

We heard that they hired several outside security companies in order to prevent and stop Hyun Jin Moon from entering the Cheon Jeong Gung, but we hope that those words are not true. If this is true, then how nonsensical and embarrassing would it be to have them stop him before seeing his father?

Hyun Jin Nim has arrived in Chung Pyung.

They are at the entrance of the Chung Pyung World Center.

Security guards and police forces are blocking the entrance and are not letting Hyun Jin Nim or those with him enter.

The police and security are surrounding the vehicle.

The guards from the church and the police are still actively blocking Hyun Jin Nim's entrance.

The members who came accompanying Hyun Jin Nim have begun to offer jeong seong and singing Holy Songs.

*Police Buses*

It looks like from the very beginning there was no intention to allow Hyun Jin Nim to enter.

They mobilized 3 police buses to come to the Cheon Jeong Gung area to stop Hyun Jin Nim from entering to see Father.

The buses were parked in the mountains near the palace.

\*\*\*

The church leaders didn't allow Hyun Jin Nim and members to go together to honor True Father in Chung Pyung.

\*\*\*

Members got off from the buses to walk because initially they said that only Hyun Jin Nim's vehicle can enter and that members have to walk to Cheon Jeong Gung.

However, in the end members were not allowed to walk to Cheon Jeong Gung.

So everyone made full bow and offered prayer. Hyun Jin Nim also prayed in his car.

He said he will come back again to see Father during his stay in Korea.
